Title of the Practice-

Research Section in the Library

The faculties of our college are involved with the research activities by doing research in Ph. D., Projects, Books and Articles. The research areas of our faculties deal with socio- economic, political, historical, geographical, environmental, security issues, development in linguistics and literature etc.

It is a matter of pride to mention that all the research done by our faculties are collected and stacked in the library by keeping in mind beneficial for the research scholars. The research section is set in the library in which research outlines, synopsis, dissertation, thesis, projects and project proposal, research articles and books written by our faculty members are collected and all the matters are opened to be utilized by the research scholars.

It is proved beneficial and guiding factors for the researchers in preparing their research outlines, synopsis and thesis. The researchers also use the data as the reference for their writings.
