Clarification

4.4.1 DVV Findings:

Input edited as per the documents and converted into lakhs. 1)clear and visible audited income and expenditure statement highlighting the items of expenditure incurred on maintenance of physical facilities and academic support facilities, duly certified by Head of the Institution and CA. Note: kindly clarify the highlighted amount of dead stock and equipment for the metric 4.4.1

HEI Clarification:

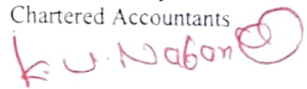

4.4.1- Expenditure incurred on **maintenance** of infrastructure (physical facilities and academic support facilities) excluding salary component year wise during the last five years (INR in lakhs)

Sr. No	Year	Budget allocated for infrastructure Maintenance (INR in Lakh)	Expenditure for infrastructure augmentation (INR in Lakh)	Expenditure on Maintenance of physical facilities (excluding salary for human resources) (INR in Lakh)
1	2017-18	Institution does not prepare budget allocation but it spends on Infrastructure Maintenance	0.77500	1.3045
2	2018-19		00	1.007
3	2019-20		1.34090	2.435
4	2020-21		00	0.74821
5	2021-22		1.23900	1.228

AUDITOR'S REPORT

To,
The Principal,
Vidya Wardhini Sabha's
Arts, Commerce and
Science College, Dhule.

Audit Period : 01-04-2017 to 31-3-2018

Separate Audit Report mentioned at the foot of the
Statement of Receipts and Payments Account of even period.

These financial statements are the responsibility of the management, Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan & perform the audit obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report the following observation/comments/ discrepancies :

- 1) The list of Library Deposit was not produced for our verification.
- 2) The lists of various scholarships payable to students were not produced for our verification. Some Scholarships are payable since long time. If they are not payable, the same should be returned to the concerned departments.
- 3) The Profession Tax Payable be paid to the Government immediately.
- 4) The advances are given to employees of the College and others from time to time. However, the accounts are not settled immediately on completion of the purpose of advance. It is necessary that system should be evolved to ensure that the account of advance is being submitted timely and the entries are passed accordingly. Many times this suggestion was given in the Audit Report but no steps have been taken to finalize this issue.

In particular the following advances are outstanding since long time. It is necessary to recover the same :-

1. Shri K.D.Mahale	9370.00
2. Shri P.D Kulkarni	31665.00
3. Prof. P.N Suryawanshi	70130.00
4. Shri M.L Patil	10200.00

5) Furniture & Dead Stock register was not produced for our verification. Physical Verification of all assets should be carried out by the management and discrepancies, if any, should be dealt with in the books of account.

6) Books of Account for UGC Grant are incorporated in the books of Senior college. It is suggested that separate books be maintained for UGC Grant A/c. This will reflect properly the Utilization of UGC Grants.

Place :- Dhule.

Date :- 30.07.2018

AUDITOR'S REPORT

To,
The Principal,
Vidya Wardhini Sabha's
Arts, Commerce and
Science College, Dhule.

Audit Period : 01-04-2018 to 31-3-2019

Separate Audit Report mentioned at the foot of the
Statement of Receipts and Payments Account of even period.

These financial statements are the responsibility of the management, Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan & perform the audit obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report the following observation/comments/ discrepancies :

- 1) The list of Library Deposit was not produced for our verification.
- 2) The lists of various scholarships payable to students were not produced for our verification. Some Scholarships are payable since long time. If they are not payable, the same should be returned to the concerned departments.
- 3) The advances are given to employees of the College and others from time to time. However, the accounts are not settled immediately on completion of the purpose of advance. It is necessary that system should be evolved to ensure that the account of advance is being submitted timely and the entries are passed accordingly. Many times this suggestion was given in the Audit Report but no steps have been taken to finalize this issue.

In particular the following advances are outstanding since long time. It is necessary to recover the same :-

1. Shri K.D.Mahale	9370.00
2. Shri P.D Kulkarni	31665.00
3. Prof. P.N Suryawanshi	70130.00
4. Shri M.L Patil	10200.00

- 4) Furniture & Dead Stock register was not produced for our verification. Physical Verification of all assets should be carried out by the management and discrepancies, if any, should be dealt with in the books of account.
- 5) Books of Account for UGC Grant are incorporated in the books of Senior college. It is suggested that separate books be maintained for UGC Grant A/c. This will reflect properly the Utilization of UGC Grants.
- 6) During the year Rs.1639998/- were paid to the Social Welfare department of Govt. of Maharashtra on account of GOI Scholarship. The said amount was paid into Treasury by challan on 23/08/18. After making this payment, there appears to be a debit balance of Rs.768374.25/- in GOI Scholarship account which means the excess payment has been made to the Govt. The said amount is shown on the asset side of the balancesheet.

On enquiry, it was explained that as per the report of Special Investigation Team (SIT) of Govt. of Maharashtra, a demand of Rs.1639998/- was made from the college on account of GOI Scholarship payment made to ineligible students. In such a situation the amount should be recovered either from the students to whom the payment was made or the matter should be persued with the Govt for its reimbursement or else it will amount to loss to the Institution.

- 7) The amounts of Rs.50000/-, Rs.100000/- & Rs.40000/- were taken as advance by principal Dr. D. S. Suryawanshi respectively on 10/05/18, 19/05/18 & 02/06/18. These amounts were given as advance from the salary bank A/c No.20150204059 with Bank of Maharashtra Dhule. The said advance was later recovered from his salary on the following dates:-

Date	Amount
05/06/18	50000/-
03/07/18	20000/-
03/08/18	30000/-
08/10/18	50000/-
03/11/18	40000/-
	<u>190000/-</u>

In this connection it is suggested that no advance should be given from salary a/c of the employees. The same should be taken from other than the salary bank a/c's, with the prior approval of the management.

Place :- Dhule.
Date :- 02.12.2019

AUDITOR'S REPORT

To,
The Principal,
Vidya Wardhini Sabha's
Arts, Commerce and
Science College, Dhule.

Audit Period : 01-04-2019 to 31-03-2020

Separate Audit Report mentioned at the foot of the
Statement of Receipts and Payments Account of even period.

These financial statements are the responsibility of the management, Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan & perform the audit obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report the following observation/comments/ discrepancies :

- 1) The list of Library Deposit was not produced for our verification.
- 2) The lists of various scholarships payable to students were not produced for our verification. Some Scholarships are payable since long time. If they are not payable, the same should be returned to the concerned departments.
- 3) The advances are given to employees of the College and others from time to time. However, the accounts are not settled immediately on completion of the purpose of advance. It is necessary that system should be evolved to ensure that the account of advance is being submitted timely and the entries are passed accordingly. Many times this suggestion was given in the Audit Report but no steps have been taken to finalize this issue.

In particular the following advances are outstanding since long time. It is necessary to recover the same :-

1. Shri K.D.Mahale	9370.00
2. Shri P.D Kulkarni	31665.00
3. Shri M.L Patil	10200.00

- 4) Furniture & Dead Stock register was not produced for our verification. Physical Verification of all assets should be carried out by the management and discrepancies, if any, should be dealt with in the books of account.
- 5) Books of Account for UGC Grant are incorporated in the books of Senior college. It is suggested that separate books be maintained for UGC Grant A/c. This will reflect properly the Utilization of UGC Grants.
- 6) As the audit of Sabha is yet to be conducted, we could not verify internal transactions between the Sr. College & Sabha.

Place :- Dhule.

AUDITOR'S REPORT

To,
The Principal,
Vidya Wardhini Sabha's
Arts, Commerce and
Science College, Dhule.

Audit Period : 01-04-2020 to 31-03-2021

**Separate Audit Report mentioned at the foot of the
Statement of Receipts and Payments Account of even period.**

These financial statements are the responsibility of the management, Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with the auditing standard generally accepted in India. Those standards require that we plan & perform the audit obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report the following observation/comments/ discrepancies :

- 1) The list of Library Deposit was not produced for our verification.
- 2) The lists of various scholarships payable to students were not produced for our verification. Some Scholarships are payable since long time. If they are not payable, the same should be returned to the concerned departments.
- 3) The advances are given to employees of the College and others from time to time. However, the accounts are not settled immediately on completion of the purpose of advance. It is necessary that system should be evolved to ensure that the account of advance is being submitted timely and the entries are passed accordingly. Many times this suggestion was given in the Audit Report but no steps have been taken to finalize this issue.

In particular the following advances are outstanding since long time. It is necessary to recover the same :-

1. Shri K.D.Mahale	9370.00
2. Shri P.D Kulkarni	31665.00

- 4) Furniture & Dead Stock register was not produced for our verification. Physical Verification of all assets should be carried out by the management and discrepancies, if any, should be dealt with in the books of account.
- 5) Books of Account for UGC Grant are incorporated in the books of Senior college. It is suggested that separate books be maintained for UGC Grant A/c. This will reflect properly the Utilization of UGC Grants.
- 6) As the audit of Sabha is yet to be conducted, we could not verify internal transactions between the Sr. College & Sabha.

AUDITOR'S REPORT

To,
The Principal,
Vidya Wardhini Sabha's
Arts, Commerce and
Science College, Dhule.

Audit Period : 01-04-2021 to 31-03-2022

Separate Audit Report mentioned at the foot of the
Statement of Receipts and Payments Account of even period.

These financial statements are the responsibility of the management, Our responsibility is to express an opinion on these financial statements based on our audit. We have conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan & perform the audit obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

We report the following observation/comments/ discrepancies :

- 1) The list of Library Deposit was not produced for our verification.
- 2) The lists of various scholarships payable to students were not produced for our verification. Some Scholarships are payable since long time. If they are not payable, the same should be returned to the concerned departments.
- 3) The advances are given to employees of the College and others from time to time. However, the accounts are not settled immediately on completion of the purpose of advance. It is necessary that system should be evolved to ensure that the account of advance is being submitted timely and the entries are passed accordingly. Many times this suggestion was given in the Audit Report but no steps have been taken to finalize this issue.

In particular the following advances are outstanding since long time. It is necessary to recover the same :-

1. Shri K.D.Mahale	9370.00
2. Shri P.D Kulkarni	31665.00
3. Prof. K.N. Suryawanshi	76415.00
4. I.T.Consulting Fees Receivable	17978.00

- 4) Furniture & Dead Stock register was not produced for our verification. Physical Verification of all assets should be carried out by the management and discrepancies, if any, should be dealt with in the books of account.
- 5) Books of Account for UGC Grant are incorporated in the books of Senior college. It is suggested that separate books be maintained for UGC Grant A/c. This will reflect properly the Utilization of UGC Grants.
